

**SANDRIDGE ENERGY, INC.
CORPORATE GOVERNANCE GUIDELINES**

I. The Board of Directors

A. *Size of Board*

The number of directors that constitutes the Board of Directors (the “Board”) of SandRidge Energy, Inc. (the “Company”) shall be fixed from time to time pursuant to the Certificate of Incorporation and Bylaws of the Company. The Nominating & Governance Committee is responsible for periodically reviewing the advisability or need for any changes in the number and composition of the Board.

B. *Qualification Standards*

The Board will have a majority of directors who are “independent” as defined by the listing requirements of the New York Stock Exchange. Each year, the Nominating & Governance Committee will review the relationships between the Company and each director and will report the results of its review to the Board, which will then determine which directors satisfy the applicable independence standards.

The Nominating & Governance Committee is responsible for identifying individuals qualified to become Board members. Nominees for directorship will be selected by the Nominating & Governance Committee in accordance with the policies and principles in its charter. The invitation to join the Board should be extended by the Board itself, by the Chairman of the Nominating & Governance Committee and by the Chairman of the Board.

C. *Director Responsibilities*

The basic responsibility of each director is to exercise his or her business judgment to act in what he or she reasonably believes to be in the best interests of the Company and its stockholders. In discharging that obligation, directors should be entitled to rely on the honesty and integrity of the Company’s senior executives and its outside advisors and auditors.

Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Information and data that are important to the Board’s understanding of the business to be conducted at a Board or committee meeting should

generally be distributed in writing to the directors before the meeting, and directors should review these materials in advance of the meeting. Attendance at Board and committee meetings shall be considered by the Nominating & Governance Committee in assessing each director's performance.

D. *Service on other Boards*

No director may serve on the board of directors of more than three other public companies. In advance of accepting an invitation to serve on another public company board, directors should advise the Chairman of the Board and the Chairman of the Nominating & Governance Committee to allow for an assessment to be made of, among other things, the potential impact of such service on the director's time and availability, potential conflict of interest issues and his or her status as an independent director.

E. *Director Tenure*

The Board does not believe it should establish limits on a director's service. As an alternative to term limits, the Nominating & Governance Committee will review each director's continuation on the Board prior to nominating an existing director for re-election. This will allow each director the opportunity to conveniently confirm his or her desire to continue as a member of the Board.

F. *Director Resignation*

The Board expects a director to tender his or her resignation if he or she receives more votes withheld from such director's election or re-election than votes for such director's election or re-election at a meeting of stockholders at which such director is nominated for election or re-election to the Board. In such event, the Nominating & Governance Committee will determine whether to accept the director's resignation and will submit such recommendation for consideration by the Board, and the Board will take action with respect to the resignation within 90 days following the date of the stockholders' meeting at which such director was nominated for election or re-election. The Board expects the director whose resignation is under consideration to abstain from participating in any decision regarding that resignation. The Nominating & Governance Committee and the Board may consider any factors they deem relevant in deciding whether to accept a director's resignation.

Following the Board's decision, the Company, within four business days after such decision is made, will publicly disclose in a Form 8-K filed with the Securities and Exchange Commission the Board's decision whether to accept the resignation, together with a full explanation of the process by which the decision was reached and, if applicable, the Board's reason or reasons for rejecting the tendered resignation.

If a majority of the members of the Board fail to receive more votes for than withheld for election or re-election, then an ad hoc committee comprised of the independent directors then serving on the Board who were elected in accordance with the Company's Bylaws (the "Ad Hoc Committee") shall serve in place of the Nominating & Governance Committee and the Board and perform the Nominating & Governance Committee's and

the Board's duties for purposes of this guideline. Notwithstanding the foregoing, if there are fewer than three directors eligible to serve on an Ad Hoc Committee, then all of the independent members of the Board (other than the individual director whose resignation is being considered) will make the determination to accept or reject an individual tendered resignation.

The Board shall nominate for election or re-election as director only candidates who agree to tender, promptly following the annual meeting at which they are elected or re-elected as director, irrevocable resignations that will be effective upon (1) the failure to receive the required vote at the next annual meeting at which they face re-election and (2) Board acceptance of the resignation. In addition, the Board shall fill director vacancies and new directorships only with candidates who agree to tender, promptly following their appointment to the Board, the same form of resignation tendered by other directors in accordance with the above practice.

G. *Chairman of the Board*

The Board has determined that the offices of Chairman and the Chief Executive Officer should be combined. Periodically, the Nominating & Governance Committee will review whether this policy is in the best interest of the Company and its stockholders, in light of its evaluation of the continuing ability of the incumbent Chairman and Chief Executive Officer to simultaneously execute the dual roles of Chief Executive Officer and Chairman of the Board.

H. *Meetings of the Board*

The Chairman of the Board will establish the agenda for each Board meeting. At the beginning of the year, the Chairman of the Board will establish a schedule of agenda subjects to be discussed during the year (to the degree this can be foreseen). Each director is free to suggest the inclusion of items on the agenda. Each director is free to raise at any Board meeting subjects that are not on the agenda for that meeting.

I. *Meetings of Non-Management Directors*

The non-management directors will meet in executive session at each regularly scheduled Board meeting. In the event that the non-management directors include directors who are not independent under the listing standards of the New York Stock Exchange, then at least once a year, there should be an executive session including only independent directors.

The director who presides at meetings of non-management and independent directors will be referred to as the "Presiding Director." The Presiding Director will rotate among the non-management directors every regularly scheduled meeting, provided that a non-management director who is not independent shall not preside at a meeting of independent directors.

J. *Board Interaction with External Constituencies*

The Board believes that the management speaks for the Company. As such, individual directors will not meet or otherwise communicate with stockholders, research analysts, vendors, the press or other external constituencies on behalf of the Company unless the communication is (1) requested by the Chairman of the Board, the Chief Executive Officer or the full Board or (2) required to discharge his or her duties as set forth in committee charters.

K. *Director Compensation*

The Compensation Committee will conduct an annual review of director compensation and make a recommendation to the Board regarding the form and amount of director compensation. The Compensation Committee will consider that directors' independence may be jeopardized if (1) director compensation and perquisites exceed customary levels, (2) the Company makes substantial charitable contributions to organizations with which a director is affiliated or (3) the Company enters into consulting contracts with (or provides other indirect forms of compensation to) a director or an organization with which the director is affiliated. Directors who are employees of the Company shall not receive any additional compensation for service on the Board.

L. *Annual Performance Evaluation of the Board*

Each year, the Nominating & Governance Committee will lead the Board in its annual performance review. As part of this process, Nominating & Governance Committee will receive comments from all directors and report to the full Board with an assessment of the Board's performance following the end of each fiscal year.

M. *Director Orientation and Continuing Education*

The Nominating & Governance Committee is responsible for developing and periodically evaluating a general education and orientation program for directors.

II. *Committees of the Board of Directors*

A. *Committees*

The Board will have at all times an Audit Committee, a Compensation Committee and a Nominating & Governance Committee. However, the Board may, from time to time, establish or maintain additional committees as necessary or appropriate. Committee members will be appointed by the Board upon recommendation of the Nominating & Governance Committee, with consideration given to the desires of individual directors.

At least one member of each of the Audit Committee, the Compensation Committee and the Nominating & Corporate Governance Committee will be independent at the time of listing on the New York Stock Exchange, a majority will be independent within 90 days of listing, and all members will be independent within one year of listing. Each year, the Nominating & Governance Committee will determine whether or not each director is

independent, disinterested, a non-employee director or an outside director under the standards applicable to the committees on which such director is serving or may serve and report the results of its review to the Board, which will then determine which directors qualify as an independent, disinterested, non-employee or outside director under applicable standards.

B. *Committee Charters*

Each committee will have its own charter. The charters will set forth the authority and responsibilities of the committees as well as qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board. The charters will also provide that each committee will annually evaluate its performance.

C. *Committee Meetings*

The Chairman of each committee, in consultation with the committee members, will determine the frequency and length of the committee meetings consistent with any requirements set forth in the committee's charter. The Chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda. At the beginning of the year, the Chairman of each committee will establish a schedule of agenda subjects to be discussed during the year (to the degree these can be foreseen). Committee members are free to suggest the inclusion of items on the agenda. Committee members are free to raise at any Committee meeting subjects that are not on the agenda for that meeting.

D. *Annual Performance Evaluation of the Committees*

Each year, the Nominating & Governance Committee will lead the Board in the annual performance review of the Board's committees. As part of this process, the Nominating & Governance Committee will request that the Chairman of each committee report to the full Board about the committee's annual evaluation of its performance following the end of each fiscal year.

III. *Director Access to Independent Advisors and Management*

The Board and each committee have the power to hire independent legal, financial or other advisors as they may deem necessary, without consulting or obtaining the approval of any officer of the Company in advance.

Directors have full and free access to officers and employees of the Company. Any meetings or contacts that a director wishes to initiate may be arranged through the Chief Executive Officer or directly by the director. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Company.

The Board welcomes regular attendance at each Board meeting of executive officers of the Company. If the Chief Executive Officer wishes to have additional employees regularly attend Board meetings, he or she should obtain prior approval of the Board.

IV. Chief Executive Officer Evaluation and Management Succession

The Compensation Committee will periodically review, modify (if necessary) and approve corporate goals and objectives relevant to the compensation of the Company's Chief Executive Officer, evaluate the performance of the Chief Executive Officer in light of those goals and objectives and set the compensation of the Chief Executive Officer based on this evaluation.

The Nominating & Governance Committee will meet periodically on succession planning. The Nominating & Governance Committee will evaluate potential successors to the Chief Executive Officer. The Chief Executive Officer should at all time make available his or her recommendations and evaluations of potential successors, along with a review of any development plans recommended for such individuals.

V. Review of Governance Policies and Posting Requirement

The Nominating & Governance Committee periodically will review and reassess the adequacy of these Guidelines and recommend any proposed changes to the Board for approval. In addition, the Nominating & Governance Committee will consider any other corporate governance issues that arise from time to time and develop appropriate recommendations for the Board as well as review management's monitoring of the Company's compliance programs and Corporate Code of Business Conduct and Ethics, including a report of violations and waivers of the Corporate Code of Business Conduct and Ethics.

The Company shall post these Guidelines, the charters of each Board committee and the Company's Corporate Code of Business Conduct and Ethics on the Company's website as required by applicable rules and regulations. In addition, the Company shall disclose in its proxy statement for its annual meeting of stockholders that a copy of each document is available on the Company's website.
